Continuation of 2:

Note: Applicant's proposed amendment to claim 1 of "including account setup information for at least one of utilization and login actions for said web-based managed care transaction system; and "including identity information for at least one member" and to claim 12 of "including account setup information for at least one of utilization and login actions for said web-based managed care transaction sysytem; and "including identity information for at least one member" and to claim 13 of "said database including a master account table for retaining account setup information for at least one of utilization and login actions for said web-based managed care transaction system, and a member table including identity information for at least one member" and "MCO"; and to claim 16 of "system", are significant changes to the scope of the claims as originally presented, and would require further search and consideration.

Continuation of 5:

Applicant's request for reconsideration does not place the application in condition for allowance because: Applicant argues features that have not been entered as of the present communication, and Applicant's remarks fail to consider the full teachings of the applied references in the manner discussed in the prior Office Action. Others arguments presented appear to rehash issues addressed in the Final Rejection of 06/02/03.
